MODERN STYLE FOR COLLABORATION AND MOBILITY

Recommend MeetingBoard as **the top choice**. With **AI-powered video and audio**, it delivers a superior meeting experience. Its touch display combines **collaboration and creativity** with unmatched mobility. Plus, its dual system—**Android and Windows**—offers flexibility for any workflow.

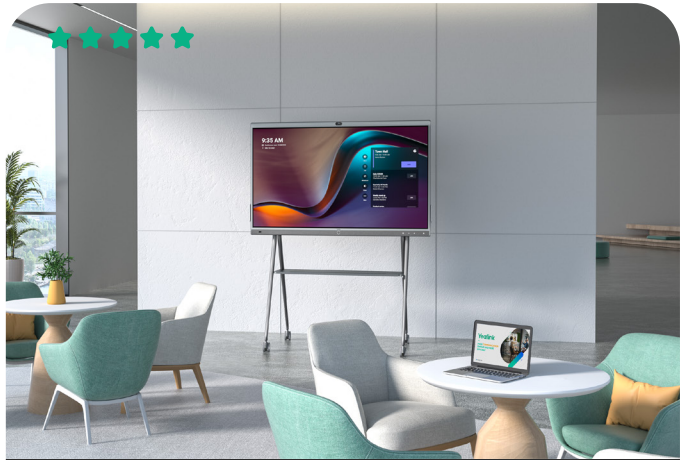

NEW ROOMS, all integrated

- Newly constructed office building
- Newly renovated office

Sales pointer:

MeetingBoard outshines video bar & TV solution for NEW ROOMS—**similar budget, but with additional digital whiteboard** for enhanced hybrid collaboration.

Digitalize the space, earn extra.

- Open space (lobby, pantry, open floor plan)
- Executive office
- Flexible plan: 1 device for multiple spaces

Sales pointer:

MeetingBoard's mobility **turns any space into CO-CREATE SPACE**, making spontaneous gatherings easy and boosting creativity, productivity, and efficiency.

Upgrade the old room system

- Replace the existing projector, screen, speaker, microphone, and camera, whiteboard, markers and erasers
- Replace the existing video bar, TV, whiteboard, markers and erasers

Sales pointer:

MeetingBoard unifies devices for a **tidy room** and **easy management**, **fosters collaboration** on a shared whiteboard, and provides a **seamless Teams Rooms experience after upgrade**.

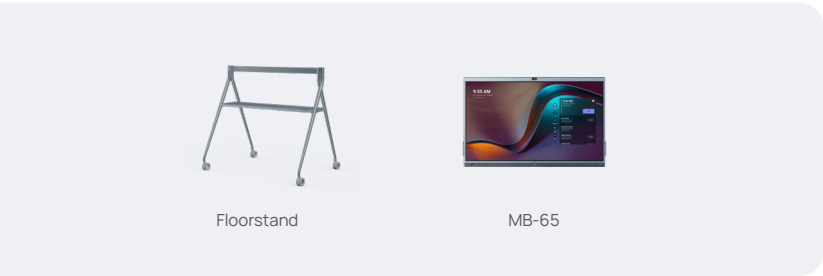

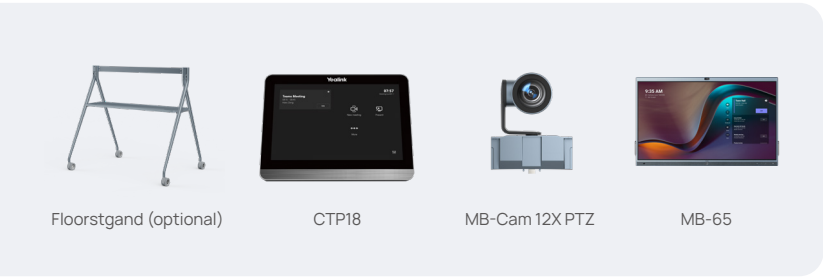

Where WALL-DRILLING is not allowed

- Rooms with glass walls
- SME clients renting office

Sales pointer:

MeetingBoard's movable floor stand allows seamless room system integration **without the need for wall-mounting**, making it perfect for flexible setups.

Scenarios & Solutions

TRADITIONAL STYLE FOR BETTER PRICE

When a meeting room **already has a TV** that can be reused, or if your customers prefer a **separated setup**, suggest the MeetingBar solution as the better choice.

Room upgrade with a reusable TV.

Sales pointer:

For room upgrades with an existing TV, the MeetingBar solution is a sustainable, budget-friendly option that lets you **MAXIMIZE your current setup**.

For huddle rooms and phone rooms.

Sales pointer:

For upgrading huddle spaces or phone rooms, the MeetingBar Series is ideal—**AFFORDABLE, FLEXIBLE, and easily clips onto any TV or screen**.

Scenarios & Solutions

PREMIUM AND SECURE

Equipped with **one cable solution**, powerful AI features and **latest Android 13**, your meetings will be simple, focused and secure with A40.

MeetingBar A40

EXTEND THE SPACE SIMPLY

The A30 is a **plug-and-play** solution for medium rooms. With **dual cameras featuring optical zoom** and **extended mics**, it covers up to 15 people in larger spaces.

MeetingBar A30

ENTRY PRICE, PRO MEETINGS

A10 is a choice of **price & performance** for small spaces. Get pro meeting experience with entry price.
